5. Limitation of Liability.

- 5.1. THE TOTAL AGGREGATE LIABILITY OF EACH PARTY TOGETHER WITH SUCH PARTY'S AFFILIATES, REGARDLESS OF THE FORM OF ACTION, WITH RESPECT TO ALL SUBJECT MATTER RELATING TO THE AGREEMENT, SHALL NOT EXCEED THE TOTAL OF THE FEES PAID AND PAYABLE TO VERISQ AI FOR SERVICES PROVIDED TO CUSTOMER UNDER THE AGREEMENT IN THE TWELVE (12) MONTHS PRECEDING THE FIRST EVENT GIVING RISE TO A CLAIM. THE EXISTENCE OF MORE THAN ONE CLAIM SHALL NOT ENLARGE THIS LIMIT.
- 5.2. NEITHER PARTY NOR ITS AFFILIATES WILL BE LIABLE FOR ANY: (A) SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES; (B) LOSS OF REVENUES; (C) LOSS OF PROFITS; (D) LOSS OF DATA; OR (E) COST OF COVER, ARISING IN CONNECTION WITH THE AGREEMENT (AND WHETHER (B) THROUGH (E) ARE DIRECT, SPECIAL,

6. Confidentiality.

- 6.1. A Party or its Affiliates (the "Receiver") may receive Confidential Information of the other Party or its Affiliates (the "Discloser"). The Receiver shall use the same level of care and discretion that the Receiver uses with respect to its own confidential information (which shall be no less than reasonable care and discretion) to not (a) disclose Confidential Information to any person other than its Affiliates, Authorized Users, subprocessors, or subcontractors who have a need to know that Confidential Information, (provided that the Receiver remains responsible for such persons' compliance with the Receiver's confidentiality obligations under the Agreement); or (b) use Confidential Information for any purpose other than as necessary to exercise rights or fulfill obligations under the Agreement.
- 6.2. Without limiting the foregoing, either Party may disclose Confidential Information when required by law or court order, provided that the Receiver will, if permitted, provide reasonable advance notice to the Discloser to enable the Discloser to seek a protective order.
- 6.3. Upon termination of the Agreement, Receiver shall promptly destroy all Discloser's Confidential Information, and, upon Receiver's request, confirm the same in writing; otherwise, the terms of the Agreement will remain in effect with respect to any retained Confidential Information.
- 6.4. The Receiver acknowledges that disclosure of Confidential Information would cause substantial harm for which damages alone would not be a sufficient remedy, and upon any disclosure by the Receiver, the Discloser will be entitled to seek appropriate equitable relief in addition to any other remedies it might have at law.

7. Data Protection & Security.

- 7.1. The Parties shall comply with the Data Processing Addendum in respect of any personal data which is processed under the Agreement.
- 7.2. Verisq AI will maintain appropriate administrative, physical, and technical safeguards for protection of the security, confidentiality, and integrity of Customer Content, as further described in Appendix 1 (Information Security Controls) and Appendix 3 (Data Collection and Access Controls) to the Data Processing Addendum.

8. Intellectual Property.

- 8.1. Verisq AI or its third-party licensors own all Intellectual Property Rights embodied in the Services and Documentation, including all modifications or derivatives thereof. No rights are granted to Customer other than as expressly set forth in the Agreement.
- 8.2. Customer hereby assigns to Verisq AI any developed Intellectual Property Rights related to the Services or the Documentation that result from Customer's or its Affiliates' or Authorized Users' requests, suggestions, or ideas ("Feedback"), regardless of whether such newly developed Intellectual Property Rights result from software-related services paid for by Customer.
- 8.3. Nothing contained in the Agreement shall prevent Verisq AI from independently developing its own content. Customer Content (including Customer Content contained in any output from the Cloud Services) shall remain the property of Customer. Customer grants to Verisq AI and its Affiliates a non-exclusive, perpetual, irrevocable, royalty-free,

worldwide license to: (a) exploit the Feedback in any manner; (b) use Customer Content in order to provide the Services and otherwise perform its obligations under the Agreement; (c) anonymize and aggregate Customer Content (and other information derived from Customer's use of the Services) with similar information of other customers and use such anonymized and aggregated information to improve and provide services; and (d) transmit the Customer Content to Third-Party Applications and Services that Customer has configured to communicate with a tenant environment provided to Customer under this Agreement.

9. Indemnity.

- 9.1. Verisq AI agrees (subject to Section 9.3) to defend Customer against any third-party claim that Customer's use of the Cloud Services, directly infringes such third party's patent, copyright, or trademark, or misappropriates such third party's trade secret (an "Infringement Claim"), and indemnify Customer from the resulting costs and damages finally awarded against Customer to such third party by a court of competent jurisdiction or agreed to in settlement by Verisq AI; provided that: (a) Customer promptly notifies Verisq AI in writing of the Infringement Claim; (b) Verisq AI has sole control of the defense and all related settlement negotiations; (c) Customer Indemnitee provides Verisq AI with the information, assistance, and authority to enable Verisq AI to perform its obligations under this Section 9.1; and (d) Customer makes no admission of liability and does not compromise the ability of Verisq AI to defend the claim. Customer may not settle or compromise any Infringement Claim without the prior written consent of Verisq AI.
- 9.2. Verisq AI shall have no liability or obligations under this Section 9 for any Infringement Claim to the extent that it results from: (a) modifications to the Cloud Services made by a party other than Verisq AI or a party under its direct control; (b) the combination, operation, or use of the Cloud Services with non-Verisq AI products, software, services, or materials; (c) use of the Cloud Services in breach of the Agreement; or (d) Verisq AI's use of any Customer Content, designs, instructions, specifications, or the like, provided by Customer, if any. This Section 9 sets out Customer's sole and exclusive remedies and Verisq AI's entire liability with respect to claims subject to indemnification under the Agreement.

10. Additional Services.

- 10.1. This Section 10 applies if and to the extent Customer uses Additional Services.
- 10.2. Non-production tenant environments of the Cloud Services, such as a user acceptance testing or trials, are not intended to contain production-level data and Verisq AI shall not be responsible for any data, files, or materials submitted to such environments.
- 10.3. Free Services may be made available to Customer for the period stated on the applicable Order Form (or, if no period is specified, then Verisq AI may terminate access to the Free Services at any time).
- 10.4. Customer's use of or access to any Third-Party Applications and Services is subject to the third-party terms and conditions applicable to the Third-Party Applications and Services and Verisq AI is not responsible for any disclosure, modification, or deletion of Customer Content resulting from access by any Third-Party Applications and Services or its provider.
- 10.5. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE AGREEMENT, NON-PRODUCTION ENVIRONMENTS AND FREE SERVICES MAY CONTAIN FORWARD-LOOKING CODE THAT SHALL ONLY BE USED FOR EVALUATION PURPOSES. ADDITIONAL SERVICES ARE PROVIDED ON AN "AS-IS" AND "AS-AVAILABLE" BASIS AND VERISQ AI SHALL HAVE NO LIABILITY OR RESPONSIBILITY IN RESPECT OF ADDITIONAL SERVICES. WHERE SUCH EXCLUSION OF LIABILITY IS PROHIBITED UNDER APPLICABLE LAW, VERISQ AI'S TOTAL AGGREGATE LIABILITY SHALL NOT EXCEED \$1,000.00, WHICH THE PARTIES AGREE IS A FAIR AND REASONABLE AMOUNT.

11. Components.

- 11.1. This Section 11 shall apply to the extent any Cloud Services are provided with a component requiring implementation on the Customer's systems or websites such as object code software or scripts ("Component").

- 11.2. Verisq AI grants to Customer a limited, non-sublicensable, non-transferable, non-exclusive, revocable license to implement and use such Components for the sole purpose of using the Cloud Services in accordance with the Agreement for the Subscription Term. The term “Cloud Services” shall be deemed to include any Components provided by Verisq AI in conjunction with the applicable Cloud Services.
- 11.3. Customer is solely responsible for implementing any Updates to a Component in respect of which: (a) Verisq AI provides the option (and Customer elects) to opt-out of automatic implementation of Updates, or (b) automatic implementation of Updates is not available. Verisq AI shall have no liability or obligations in respect of Cloud Services, to the extent that a claim results from Customer’s failure to implement all available Updates (if the claim would not have arisen but for such failure).
- 11.4. Customer shall uninstall or remove all Components within thirty (30) days of termination of the Subscription Term of the Cloud Services to which it relates (and Verisq AI reserves the right to audit compliance with this obligation). Upon termination, Verisq AI has no obligation to retrieve or deliver to Customer a copy of Customer Content stored in any Component.

12. Term & Termination.

- 12.1. The Agreement is effective as of the earlier of: (a) the date of last signature on the initial Order Form referencing these Master Terms; or (b) Customer’s initial access to the Cloud Services. Unless terminated earlier in accordance with its terms, the Agreement shall remain in force until the Subscription Terms of all Services have expired or been terminated. The initial subscription term shall be as stated on the applicable Order Form (“Initial Subscription Term”). The term of each Service (except Professional Services) shall automatically renew on Verisq AI’s then-current terms (available at <https://www.verisq.ai>) for an additional twelve (12) month-term (each, a “Renewal Subscription Term”, together with the Initial Subscription Term, the “Subscription Term”) unless either Party provides notice of its intent not to renew at least thirty (30) days in advance of the end of the Initial Subscription Term or then-current Renewal Subscription Term.
- 12.2. Upon termination of the Agreement by any means, Customer shall cease all access and use of the Services, except that Customer may export a copy of the Customer Content (stored in the Cloud Services at the time of termination) in a structured, commonly used and machine-readable format within sixty (60) days after such termination and Verisq AI may delete all Customer Content from the Cloud Services after such time has passed.
- 12.3. Without limiting the foregoing, Verisq AI may, upon fourteen (14) days’ prior written notice (except in an emergency), suspend or limit Customer’s access to or use of the Services without liability if: (a) Customer is past due on payment of Fees; or (b) Customer’s use of the Cloud Services breaches Section 2, or impairs (i) performance of the Cloud Services or Verisq AI systems, or (ii) the use of the Cloud Services by other Verisq AI customers. Verisq AI will promptly end such suspension when Customer cures the foregoing (without prejudice to Verisq AI’s other remedies in respect of the applicable breach).

13. General.

- 13.1. Governing Law and Jurisdiction. The Agreement and any dispute or claim (including non-contractual disputes or claims) is governed by the laws of and under the exclusive jurisdiction of the Courts of the jurisdiction set forth in the Contracting Entities Table based on the applicable contracting entity. Each Party agrees, as set forth in the preceding sentence, to (a) the applicable governing law, excluding any conflict of law rules or the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded, and (b) the exclusive jurisdiction of the applicable courts. Notwithstanding anything to the contrary in this Agreement, either Party may at any time seek injunctive or interlocutory relief in a court of competent jurisdiction in order to protect any urgent interest of such Party. TO THE EXTENT AVAILABLE UNDER APPLICABLE LAW, THE PARTIES EXPRESSLY WAIVE ANY RIGHT TO A JURY TRIAL REGARDING DISPUTES RELATED TO THIS AGREEMENT.

- 13.2. **Assignment.** Except for an assignment by Verisq AI to an Affiliate or a successor in interest in connection with any merger reorganization, acquisition, change of control or sale of all or substantially all of the assets of Verisq AI, neither the rights nor the obligations arising under the Agreement are assignable or transferable by either Party without the other Party's prior written consent (which will not be unreasonably withheld), and any such attempted assignment or transfer shall be void and without effect. Subject to the foregoing, the Agreement shall inure to the benefit of the Parties and their respective successors and permitted assigns.
- 13.3. **Notice.** Except as otherwise provided herein, all notices under the Agreement shall be deemed properly given and effective (a) when personally delivered (to the person or department if one is designated in the Order Form); (b) when deposited in certified mail, registered mail, postage prepaid or return receipt requested; or (c) when deposited with an internationally recognized overnight delivery service such as Federal Express with all fees and charges prepaid, in each such case when sent to Verisq AI, sent to the address identified in the Contracting Entities Table.
- 13.4. **Entire Agreement.** The Agreement constitutes the entire agreement and understanding between the Parties with respect to the subject matter of the Agreement and the Services, superseding all prior or contemporaneous proposals, communications, and understandings, oral or written relating to that subject matter. Each Party agrees that it shall have no remedies in respect of any statement, representation, assurance, or warranty that is not set out in the Agreement. Each Party agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement not in the Agreement.
- 13.5. **Order of Precedence.** To the extent there is any conflict or inconsistency between the Master Terms and any Order Form, the Order Form shall prevail to the extent of any such conflict or inconsistency. Any additional or different terms or conditions proposed by Customer are expressly excluded.
- 13.6. **Variation.** Except as expressly provided in the Agreement, any modifications of the Agreement must be in writing and signed by both Parties.
- 13.7. **No Waiver.** Any waiver of any provision of the Agreement must be in writing and will not be deemed a waiver of any other provision. Waiver by a Party of a breach of any provision of the Agreement by the other Party will not operate as a waiver of any other or subsequent breach by such breaching Party.
- 13.8. **Federal Government End Use Provisions.** Verisq AI provides the Services, including related software and technology, for ultimate federal government end use in accordance with the following: The Services consist of "commercial items," as defined at FAR 2.101. If a government agency needs additional rights, it must negotiate a mutually acceptable written addendum to the Agreement specifically granting those rights.
- 13.9. **Claims.** No claim or action may be brought by either Party against the other Party arising in any way out of the Agreement after one (1) year from the date on which the cause of action arose (and regardless of the nature of the claim or form of action) provided, however, the foregoing limitation shall not apply to any claim or action related to the infringement of a Party's or its Affiliate's Intellectual Property Rights. In any action to enforce the Agreement or part of it, the prevailing party will be entitled to reasonable costs and attorneys' fees actually incurred.
- 13.10. **Third-Party Rights.** There are no third-party beneficiaries to this Agreement.
- 13.11. **Severability.** Each provision of the Agreement shall be considered severable such that if any provision conflicts with any existing or future law, or is held to be illegal, unenforceable, or invalid by a court, the other provisions of the Agreement shall be limited or modified to the minimum extent necessary to make it valid, legal, and enforceable and so that the Agreement shall otherwise remain in effect.

- 13.12. **Language.** The Agreement and all related documentation are and will be in the English language and all disputes arising under the Agreement shall be resolved in the English language.
- 13.13. **Force Majeure.** A delay by either Party in performing its obligations will not be a breach of the Agreement if caused by acts, events, or omissions beyond a Party's reasonable control, including, without limitation, strikes, industrial disputes, failure of a utility service or transport network, acts of God, war, riot, civil commotion, malicious damage, compliance with any law or governmental order, rule, regulation or direction, accident, breakdown of machinery, act of terror, Internet service provider failure or delay, failures of communications networks and facilities (not directly controlled by a Party), denial of service attack, fire, flood, or storm. The affected Party will notify the other Party of such event and resume performance as soon as possible.
- 13.14. **Relationship.** Nothing in the Agreement is intended to create a joint venture, partnership, agency, or employment relationship between the Parties.
- 13.15. **Counterparts.** The Agreement and any Order Form may be executed in any number of counterparts, each of which is an original, but all the counterparts together constitute the same document.
- 13.16. **Survival.** Upon expiration or termination of this Agreement for any reason, all rights granted to either Party hereunder shall terminate, except that (a) such termination or expiration shall not affect any rights, remedies, obligations, or liabilities of the Parties that have accrued up to the date of termination, including the right to claim damages in respect of any breach of the Agreement or any part of it which existed at or before the date of termination, and (b) any provisions of this Agreement which either expressly or by their nature extend beyond the expiration or termination of the Agreement shall survive such expiration or termination. Without limiting the generality of the preceding sentence, Sections 1, 2, 3, 4.5, 4.3, 4.4, 6, 7 (for so long as Verisq AI retains Customer Content), 8, 10, 11, 12.3, 12.4, and 13 will survive the termination of the Agreement or any part of it.

14. Reseller Orders.

- 14.1. Section 14 only applies in connection with the purchase of Services by Customer through a reseller, distributor, or other partner authorized by Verisq AI to resell Services to end customers (an "Authorized Reseller") pursuant to a separate agreement between Customer and an Authorized Reseller, which may specify different terms than this Agreement regarding invoicing, taxes, and payments ("Reseller Agreement"), and shall, prevail over any conflicting terms in the Agreement, but only with respect to Services purchased under a Reseller Agreement.
- 14.2. In the event that Customer and Verisq AI have not entered into an agreement specifying the Verisq AI contracting entity, governing law, or jurisdiction, the applicable terms shall be determined in accordance with the Contracting Entities Table.
- 14.3. Verisq AI will provide Services to Customer in connection with a Reseller Agreement if Verisq AI and the Authorized Reseller have executed an Order Form for such purchase. Customer acknowledges and agrees that, solely in connection with the purchase by Customer through a Reseller Agreement: (a) Verisq AI may share information with Authorized Reseller related to Customer's use of the Services; (b) references to "Customer" in each of the defined terms "Fees" and "Order Form" in this Agreement shall be replaced with "Authorized Reseller," and all payments of fees, refunds, and credits, if any, are payable by or to the Authorized Reseller; (c) this Agreement governs Customer's use of the Services, notwithstanding anything to the contrary in the Reseller Agreement; and (d) Authorized Reseller is not authorized to make any warranties, representations, promises, or commitments on behalf of Verisq AI or concerning the Services.
- 14.4. Notwithstanding Section 12.1, where the Customer has procured Services from an Authorized Reseller, renewals will be in accordance with the applicable Order Form between Verisq AI and the Authorized Reseller. Customer may, at its option, elect to use a different Authorized Reseller or to renew a subscription directly with Verisq AI.
